

## Parking for Individuals Staying Off- Campus

You will receive an email from our parking permit system asking you to claim your parking pass. Please claim your parking pass and print it prior to arriving on campus. The parking pass will be pre-selected as (GSTOVD) Guest: Oval West Deck : General – do not change this selection.

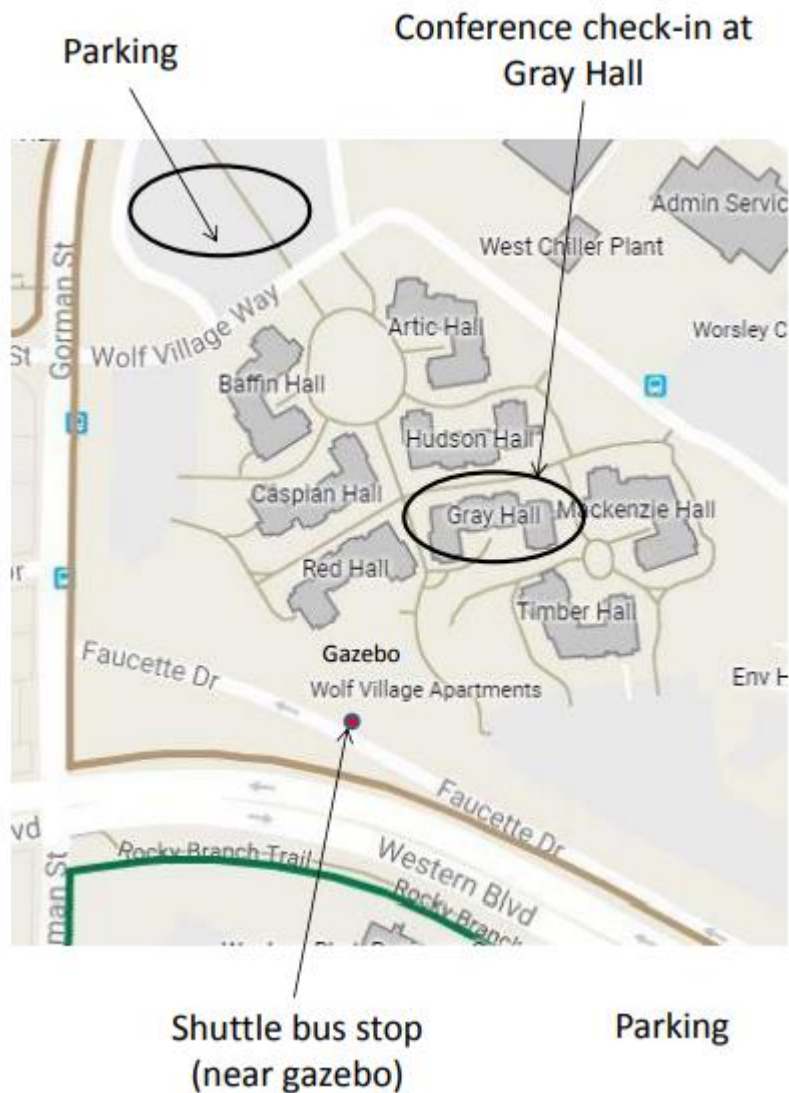

This parking pass is good for the Oval West Parking Deck only, which is convenient to both Engineering Building 1 and Hunt Library. When parking on-campus Monday through Thursday between the hours of 8 am and 5 pm this is where you should park as the university does enforce parking restrictions during the summer.

## Parking for Individuals Staying On Campus

You will receive an email from our parking permit system asking you to claim your parking pass. Please claim your parking pass and print it prior to arriving on campus. The parking pass will be pre-selected as (GSTP) Guest: Perimeter Lots : General— do not change this selection.

This parking pass is good for the RV lot by Wolf Village only and must be displayed at all times. You will check-in for your room at Gray Hall in Wolf Village - check-in for rooms is open 24 hours.

We expect that you will use the bus transportation provided to/from summer school events. If you need to have your car with you on Centennial Campus during the day Monday - Thursday you will have to pay for parking at the pay lot across from Hunt Library (Poulton Deck).

All participants and presenters - For weekend hours and evening activities after 5 pm at Talley, you may park in any "C" spot. Do not park in any RE or RW parking spots as these are enforced 24 hours.
